8 **UNITED STATES DISTRICT COURT**
9 **SOUTHERN DISTRICT OF CALIFORNIA**
10

11 LEE V. QUILLAR,
12
13 v. Petitioner-Defendant,
14 RICK M. HILL,
Respondent-Plaintiff.

Case No. 01CV968 BTM (BEN)

**ORDER DENYING MOTION FOR
RELIEF FROM FINAL JUDGMENT**

15 On May 29, 2003, the Court filed an order adopting the Magistrate Judge's Report and
16 Recommendation that Petitioner's habeas corpus petition be denied. Petitioner now moves
17 under Fed. R. Civ. P. 60(b)(6) for relief from this judgment. For the reasons that follow, this
18 motion is **DENIED**.

19 Petitioner's Rule 60(b)(6) motion is based on Petitioner's "new discovery" that his trial
20 counsel was disbarred in 2007 for misconduct in two matters, one of which involved the
21 attorney's failure to competently work on a state habeas corpus petition. (See app. at 28-30)
22 The gravamen of Petitioner's motion is that his claims for ineffective assistance of counsel
23 and other claims raised in his habeas petition should be reevaluated in light of this
24 disbarment.

25 Defendant's motion is actually a successive § 2254 motion and the Court shall treat
26 it as such. See *Gurry v. McDaniel*, 149 Fed. Appx. 593, 596 (9th Cir. 2005) (construing
27 ineffective assistance of counsel argument raised in a Rule 60(b) motion as a successive §
28 2255 petition). A Rule 60(b) motion constitutes a second or successive habeas petition

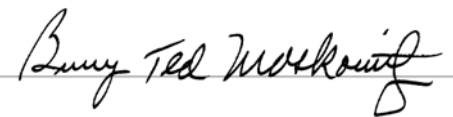

1 under 28 U.S.C. § 2244(b) when it “seeks vindication of” or “advances” one or more “claims.”
2 *Gonzalez v. Crosby*, 545 U.S. 524, 530-31 (2005). A claim is defined as “an asserted federal
3 basis for relief from a state court’s judgment of conviction”; a motion brings a claim “if it
4 attacks the federal court’s previous resolution of a claim on the merits.” *Id.* at 532. “On the
5 merits” refers “to a determination that there exist or do not exist grounds entitling a petitioner
6 to habeas corpus relief under 28 U.S.C. §§ 2254(a) and (d).” *Id.* at n.4. By contrast, a Rule
7 60(b) motion that “challenges only the District Court’s failure to reach the merits [of a habeas
8 claim] does not warrant such treatment, and can therefore be ruled upon by the District Court
9 without precertification by the Court of Appeals pursuant to § 2244(b)(3).” *Id.* at 538.

10 Here, Petitioner brings the same substantive claims for federal relief that were raised
11 in the habeas petition. The Court reached the merits of each of his claims in the denial of
12 his petition. *C.f. Phelps v. Alameida*, 569 F.3d 1120, 1132 (9th Cir. 2009) (Rule 60(b)(6)
13 motion not a successive petition where District Court’s denial of habeas petition rested on
14 statute of limitations grounds). Accordingly, Petitioner’s motion, “although labeled a Rule
15 60(b) motion, is in substance a successive habeas petition.” *Gonzalez*, 545 U.S. at 531.

16 The Court lacks jurisdiction to consider Defendant’s successive § 2254 motion
17 because the successive motion has not been certified by a panel of Ninth Circuit judges as
18 required by 28 U.S.C. § 2244(b). Therefore, Defendant’s successive § 2254 motion is
19 **DISMISSED.**

20
21 **IT IS SO ORDERED.**

22 DATED: December 6, 2010

23 
24 Honorable Barry Ted Moskowitz
25 United States District Judge
